Program Summary

The MyHome Assistance Program (MyHome) is a deferred payment, simple interest rate subordinate loan that may only be used with a CalHFA first mortgage. Your low to moderate income first-time homebuyer can use this loan for down payment and/or closing cost assistance. The MyHome loan provides up to 3.50% of the sales price or appraised value of the property, whichever is less, and must be recorded in second lien position.

CalHFA allows qualified homebuyers to layer other down payment assistance loans or grants to maximize affordability.

Participating Lenders

This program is only available through a [CalHFA-approved lender](#).

Brokers must work through a [CalHFA-approved wholesale lender](#) to process your CalHFA loan.

Eligible buyers

This program is for first-time homebuyers purchasing an owner-occupied property anywhere in California.

Eligibility

Borrower Requirements

Each borrower must:

- Be a first-time homebuyer
- Be a U.S. citizen, [permanent resident alien or qualified alien](#)
- Meet credit, income and loan requirements of CalHFA's first mortgage loan program, the CalHFA-approved lender and the mortgage insurer/guarantor

Homebuyer Education

Homebuyer Education is required. Please refer to the [CalHFA first mortgage program handbook](#) for full details.

First-Time Homebuyer Definition

To qualify for the MyHome loan program, all borrowers, including co-borrowers must reside in the home and meet the definition of a first-time homebuyer.

For CalHFA purposes a first-time homebuyer is a borrower who has not had an ownership interest in any principal residence during the previous three years.

Owner Occupancy

- All borrowers must occupy the property as their primary residence within sixty (60) days of closing
- Non-occupant co-borrowers are not allowed

(continued on next page)

Eligibility (cont.)

- Non-occupant co-signors are not allowed on CalHFA Conventional nor CalPLUS Conventional first mortgages
- Non-occupant co-signors are allowed on CalHFA FHA, CalPLUS FHA or Cal-EEM + Grant per FHA first mortgage guidelines and cannot occupy the property, be on the purchase agreement, be on title or have a vested interest in the property

Property Requirements

Property must meet the requirements of the applicable CalHFA first mortgage. Please refer to [CalHFA first mortgage program handbooks](#) for full details.

Income & Sales Price Limits

The following reference materials disclose income and sales price limits by county:

- [Income Limits \(w/FHA\)](#)
- [Income Limits \(w/Conventional\)](#)
- [Sales Price Limits](#)

Underwriting & Compliance

Term

The term of the MyHome matches the term of the CalHFA first mortgage not to exceed thirty (30) years. Payments on MyHome are deferred for the life of the first loan. MyHome is due and payable when certain events occur. See “Repayment” section.

Maximum Loan Amount

Amount not to exceed 3.50% of the sales price or appraised value, whichever is less.

When the applicable government insurer/guarantor requires multiple appraisals, CalHFA will base the MyHome loan amount on the lesser of the sales price or lowest appraised value.

LTV and CLTV

Loan-to-Value (LTV) to follow the applicable mortgage insurer/guarantor investor guidelines and the applicable CalHFA first mortgage underwriting guidelines.

Maximum Combined Loan-to-Value (CLTV) cannot exceed 105%.

Income Requirements

Lenders are required to calculate income to qualify borrower(s) for loan approval using investor guidelines. CalHFA will recalculate the borrower’s income pursuant to tax compliance. Watch our training videos for assistance with [Income Calculations](#).

Qualifying Income vs. Tax Compliance Income

Qualifying income is the income used by lender to determine that the borrowers have the ability to meet their monthly obligation. Lender will continue to follow guidelines from their internal underwriting, the mortgage insurer, and this program handbook. This income may differ from the income used by CalHFA for tax compliance purposes. All sources of income must be used to determine program compliance income limits.

Underwriting & Compliance (cont.)

Maximum Tax Compliance Income Limits

The income of all borrowers cannot exceed the published [CalHFA moderate income limits](#) established for the county in which the property is located.

CalHFA will calculate family income for CalHFA program eligibility. “Family income” is defined as the annualized gross income of a mortgagor, and any other person who is expected to:

1. be liable on the mortgage
2. be vested on title; and
3. live in the residence being financed

Underwriting

- Meet the requirements of the CalHFA first mortgage. Please refer to CalHFA first mortgage program handbook for full details
- MyHome may be combined with other down payment and/or closing cost assistance programs with the exception of ECTP, but must accompany a CalHFA first mortgage

Minimum Credit Score & Qualifying Ratios

Follow the guidelines in the applicable CalHFA first mortgage program handbook for minimum credit score requirements and maximum total Debt-to-Income ratio requirements.

Fees

Lender may charge a maximum total processing fee of \$250
